

2017 SKITA RULES AT A GLANCE

"SKITA Rules at a Glance" are a condensed version of the official SKITA Handbook. See the SKITA Handbook for detailed, specific & expanded rule clarification, official arbitration procedures & penalties at www.nblskil.com (then click SKITA). The "Rules at a Glance" is updated annually, thus takes precedence over the official SKITA Handbook in regard to discrepancies. Yearly revisions in the "Rules at a Glance" are underlined & take precedence over any previous "Rules at a Glance". SKITA Rules apply to all ranks & ages unless specified otherwise. (See the Super Grands brochure for "Modified Rules at a Glance" that apply to only the Super Grands/Amateur Int'lts).

Opt = Options to Choose (7 total). The Super Grands/Amateur Internationals & NBL National Conference tournaments must use option ("a") for all seven (7) options.
Opt = except for option number four (Opt 4) where either "a" or "b" may be chosen.

BB = Blackbelt (all NBL divisions at NBL tournaments). **UBB** = Under blackbelt (all non NBL divisions at NBL tournaments)

NOTE: Fines levied must be issued with Appendix J being completely filled out in duplicate (1 copy sent to NBL & 1 copy given to offender) & with the fine being collected by the Arbitrator before a player is allowed to continue play or before a coach/spectator is allowed to remain at the tournament.

They cannot compete in both 17- & 18+ at the same tournament & points will stay in the age group the player competes in at each tournament. The same applies for those players that will be turning 35, 45 or 55 during the circuit season except they can compete in any & all divisions 18 & over as long as they qualify by age & they will retain points in all divisions (17, 34, 44 & 54 year old players competing for NBL points in the younger age group during the second half of an NBL season - July 1 to December 31, may transfer those points earned to the older division for next year's SKIL season).  - Soft Contemporary (Creative / Musical / Open)** - Gymnastics generally unlimited. Techniques inherent to soft style only.
 - MUSIC** - All musical performances require musical choreography except "Open Musical" divisions. Choreographed musical forms cannot use background music w/o choreography. Occasional sound effects can be added but any player's attempted choreography to sound effects CANNOT be considered by the Judges as part of their choreography requirement. The form must follow the rhythm (various beats) of the original music. Options for all divisions:
 - Judges will award one of the following musical choreography scores:
 - 2 points = Sufficient choreography to music where an obvious attempt was made by the player to choreograph the majority of the form.
 - 1 point = Attempted choreography of the form where only a few techniques are choreographed. For example the beginning &/or ending of the form.
 - 0 points = Basically not choreographed. A few techniques may hit beats on purpose or accidentally.
 - A total of 4-6 points = Players' score remains the same / 2-3 points = 0.05 point deduction off player's overall score deducted by Scorekeeper / 0-1 points = DQ by Scorekeeper.
 - Judges will not award a separate musical choreography score, but choreography will be reflected in Judges' individual scores &/or will be a final score reduction of 0.05 with that decision being made by the Center Referee, Arbitrator or with a majority vote of the Judges.
 - SEQUENCE** - Luck of the Draw must be done at ringside with no more than 2 divisions staged ahead of time. The draw for sequence must be done by the players (or their coaches) of that division if they are available, using a random draw of generically numbered cards from an envelope (lowest numbered card picked is first up) or a draw of numbered chips from an opaque container. (Players need not be present for the draw so long as their card was submitted. Under no circumstance is sequence to be redrawn or players that have competed made to restart due to a tournament error). Note: VI.B.5. - Error by Official.
 - AVAILABILITY** - When the division has been declared closed and/or the charting has started, no late entries are accepted. When the player is called to compete, they have 2 minutes to be ringside or may be DQ (See complete rules in SKITA Handbook).
 - TIME LIMIT** - Up to 3 minutes is allowed from the time the player enters the ring, begins speaking or when music is started, whichever is first. Overtime is 0.05 deduction per every 10 seconds.
 - RESTARTS** - BB-No restarts allowed. UBB-One restart allowed in all forms divisions. No penalties or deductions by Judges for legal restarts. No second restarts. No restarts in Grands.
 - MUSIC PLAYER** - Unless provided by the Promoter, the Player must provide their own music player & someone to run it.
 - SCORING** - Scoring will be with 3 Judges all of whom must give a final score between 9.80 & 10.00. A system of "Maximum Deviation of 0.03" will be employed by the Scorekeeper after all the Judges' scores are given. Of the 3 Judges scores, the Scorekeeper will adjust if necessary, two (2) scores (the highest & lowest) to be within a 0.03 of the middle score. (i.e. if the scores are 9.96, 9.94 & 9.89, the 9.89 score will be adjusted to be 9.91 or 0.03 from the 9.94 middle score). With 1 or 2 players the winner is chosen by a Judges show of hands.
- Judging will be performed using the official "SKITA Scoresheet" where each Judge will tally 4 scores of between 20 & 25 for each of 4 criteria to determine their final one-hundredth scores of 9.80 to 10.00. The first 3 players compete before scoring, then scoring after each performance.
- Judges will not use the official "SKITA Scoresheets". All players compete before any scores are given.
- OFFICIAL SCORE** - The official score shall, first, be considered the score that is exhibited to the public (i.e. Electronic Scoreboard or Flip Cards), but may be adjusted with any errors discovered by the Scorekeepers, Center Referee or Arbitrator.
- TIES** - Ties between 2 or more players in the top 4 places & for eighth place will be broken by the Scorekeeper tallying up which player(s) had the most Judges votes. If any Judge(s) gave the same score to the tied players, then each player gets a vote. If after the tally any players are still tied with the most overall votes then they must run their forms again by luck of the draw with a show of Judges' hands to determine a winner. A second show of hands may be required for 3 or more tied players.
- GRANDCHAMPIONSHIPS** - All scores must be 9.95-10.00. Judges must give each player a different score. SKITA Scoresheets will not be used. Ties will be broken same as eliminations. Player performance must comply with the division that was won (i.e., music cannot be added to a creative form). There will be a fine of \$25 levied against any player who is scheduled & desires to compete in the finals, but that fails to report to the Statisticians table before the eliminations end that day. All divisions or grands where prize money is advertised require that a player must be willing to compete to win any money. While players can agree in advance to split any prize money amongst themselves, the money will not be awarded to a player if the Arbitrator feels that the player(s) appear to have pre-determined a winner in advance. The only exception is if either the medical personnel or Center Referee grant a medical exception not to compete based upon a legitimate medical concern.
- TEAM FORMS** - Team Forms can be any amount of players, but at least one must be a BB of whom the division must be registered under. The performance need not be choreographed to any music used. Synchronization is not required but if players attempt synchronization & are not, it may affect their score. Props, dialog & unlimited gymnastics allowed. Scoring will be determined evaluating the performance of all team players. One restart is allowed. No penalties or deductions for legal restarts. No second restarts.

WEAPONS

- PROCEDURE** - (same as forms including same options) 2. **SPECIFICATIONS** - Weapons must be authentic to martial arts & must be protected from sharpness.
- STYLE** - The same Specific or General Criteria option as chosen by the Tournament Promoter for forms is in effect (Opt 1-a or 1-b). In all Hard Creative-Limited weapons divisions, weapons manipulation does not allow intentional releases & the weapon cannot leave the hand/wrist proximity (up to 1'). A 0.05 deduction will be taken off the players total score for each & every violation with that decision being made by the Center Referee, Arbitrator or with a majority vote of the Judges. If Opt 1-a for forms is chosen, then Specific Forms Criteria (Appendix A) applies for only BB players (all NBL divisions) & only the following weapons will be allowed in hard traditional divisions: Kai (oar), kama (no rope), katana, kuwa (hoe), long bo, naginata, nunchaku, sai, tonfa & yarihoko. Each of those weapons have size & weight requirements for size of the player. See SKITA Handbook "APPENDIX A #B-Hard Traditional Weapons" for specifics.

SELF DEFENSE & BREAKING

- PROCEDURE** - (same as forms with the following exceptions below) **Note** - If Opt 1-a in forms is chosen, then Appendix A applies for BB divisions (all NBL divisions).
- PLAYING AREA** - Self Defense (SD) can use mats. Breaking (BR) players must provide a 20'x20', minimum 2 mil covering under their breaking set-up excepting breaks exclusively using wood.
- PLAYERS UNIFORM** - In SD, martial arts uniforms are not required unless Opt 1-a in forms is chosen, then NBL traditional SD players must wear traditional uniforms (See Appendix A).
- PROPS** - All props are allowed, however if Opt 1-a in forms is chosen, then only people & unsharpened weapons, a chair & table can be used as props in traditional SD. In BR the players must execute all breaking actions, not a person being used as a prop.
- MATERIALS & SAFETY** - All players must provide their own breaking material. All support materials & each end side of all blocks, bricks, boards & other materials to be broken must have the initials of the player or their team printed (by hand, spray can, etc.) on them in the same color. An exact duplicate sample of each & every type of breaking material must be presented to the panel of Judges. Any Judge may replace any or all the materials in the players' set-up with the player provided samples of the same material & then examine that players' set-up material for safety, material type, weight & strength. Any Referee may test any replaced material for breakability. All players must remove all breaking remnants & provide their own containers for such removal. Players must angle their routines so as not to endanger the Judges, spectators & their people used as props.
- CRITERIA** - Contemporary SD can use non-martial arts techniques & music. Judging should be based on execution of techniques, acting ability, dialog & ability to portray a realistic or abstract story & Judges must not consider the people used as props when scoring. Traditional SD must demonstrate only martial arts techniques, no music, no dialog except to explain a technique & Judges must not consider people used as props when scoring, only the ability of the player or players listed on the registration card. No dialogued skits, music or weapons in BR. The player must attempt at least 5 breaks & at least 1 must be a kick. A player will be allowed 2 attempts per break, a third attempt is DQ. The time limit (for safety sake) & any penalties for lengthy set-up past 8 minutes and/or removal in breaking past 2 minutes will be determined by the Center Referee and/or Arbitrator.
- TIES** - In BR, first time ties are determined by a Judges show of hands for the same player they voted for initially. If after a show of hands they are still tied because a Judge(s) gave tied scores initially, then that Judge(s) must break the tie by choosing between the players.
