The Center Referee shall have the right to end a match at any given point in less time than one (1) minute if in his judgment he feels that a player may get hurt if the match continues. At that point the Judges will announce their scores as if the one (1) minute match time had expired.

Furthermore, a Center Referee may award a penalty point and/or disqualification call at any time after a questionable contact has been made if he feels that the evidence warrants it.

All points are awarded by the Corner Referees.

( ) **3. SCORING BY PENALTIES** - A one (1), two (2) or three (3) point penalty can be awarded to a player by the Center Referee depending upon the infraction caused by the opponent. (see APPENDIX C for quick reference)

It will be the NBL promoters option to include any junior divisions in the finals.

( ) **9. DOUBLE ELIMINATIONS** - (same as point sparring)

## G. AWARDED POINTS AND PENALTIES

( ) **1. PROCEDURE** - The two (2) Judges in opposing corners will be chosen by the Center Referee to count points for one player while the remaining two (2) Judges will count points for the other player. The Judge in front and to the right, and the Judge to the rear and left of the Center Referee will be directed to count points for the player to the right of the Center Referee for the first half of the match. The remaining two Judges will count points scored by the player on the left of the Center Referee for the first half of the match. For the second half of the match each judge must set their scoring counter at zero (0) and they will be informed to tally points made by the opposite player for the remainder of the playing time.

( ) **2. VOTING** - At the end of the first half of the time limit the Center Referee will call for each of the Judges' scores. The Center Referee will first call for the two (2) Judges scores of his right side player and then the two (2) Judges scores for his left side player. The tally of each Judge must be announced. At the end of the second half time limit the Center Referee will again call for the two (2) Judges scores for his right side player and then the two (2) Judges scores for his left side player.

( ) **3. AWARDED POINTS** - Each of the four (4) Corner Judge's responsibilities is to watch their assigned player's performance and to tally only that player's points scored against his opponent. Judges must not watch the opponent or keep tally of the opponents' points, only his blocking of techniques preventing points to be made by the player that the Judge is scoring. It is not a Judge's responsibility to vote for penalties for illegal procedure by the player he is watching, but if in the Judge's opinion an illegal procedure is used by the player he is judging in an attempt to score a point (i.e., more than three (3) hand techniques, too much contact, use of illegal technique, strike to an illegal scoring area, etc.) then the Judge shall be required not to tally that attempted point, despite whether the Center Referee called a foul or not. Scoring is done by hand held scoring counters or paper and pencil. Each Judge must make sure their scoring counter (if used) is set at zero (0) before the match begins and again for the second round of scoring. Each of

the two (2) Judges will record each and every point made that they see by the player that they are chosen to score, for each half of the match.

( ) **4. AWARDED PENALTY POINTS** - The Center Referee seeing a penalty will yell "stop" or "break" or give a short blow on his whistle. At that time, both players will stand with toes on their respective starting lines. The Center Referee will award the penalty point(s) to the opponent of the player who caused the infraction.

( ) **5. AWARDED OF BOTH A POINT AND A PENALTY** - The Corner Referees can only award points (not penalties). The Center Referee can only award penalty points (not scoring points).

( ) **6. MOTIONS FOR DISQUALIFICATION** - Disqualification is determined only by the Center Referee and shall take place whenever he stops play and awards such.

( ) **7. AWARDED NO POINT OR PENALTY** - If the Center Referee does not stop the match for any penalty, then the match will continue.

( ) **8. AMOUNT OF VOTES NEEDED FOR A POINT, PENALTY POINT OR DISQUALIFICATION** - All points are determined by the individual Corner Judges without any majority call. All penalties and disqualifications are determined by the Center Referee without any majority call.

( ) **9. DETERMINING THE FINAL SCORE** - A player's final score will be determined by the scorekeepers adding the two Judges' scores from half-time and the two Judges' scores at the end of the match together onto that player's score card, along with any penalty points awarded to that player by the Center Referee during the match.

( ) **10. SCORING ERROR** - (same as point sparring)

( ) **11. ADMITTED JUDGING ERROR** - A Judge that has admittedly given an incorrect score has until the start of the next division to change his/her score. If the Judge admits to scoring the wrong player then his total score shall become null and void and the other Judge who was judging the same player shall have his score doubled to make up for the Judge that erred.
